Paddle an urban river with Friends of Milwaukee's Rivers

Saturday, July 21, 2007

11:00 a.m. – 3:30 p.m.

Limited spots available: register now!

Enjoy a unique perspective of one of America's great cities by paddling the Milwaukee River with Friends of Milwaukee's Rivers. We'll be putting in at Lincoln Park and traveling through downtown Milwaukee on a 3 to 4 hour tour ending at a local pub. There will be several interpretive stops along the way describing the impact urban development can have on our rivers and highlighting some of the positive projects in the area.

Light snacks provided. Shuttle provided. Kayaks welcome. Limited Canoe rentals available at event (use registration form below to reserve rental.) Additional canoe and kayak rentals are available locally from Laacke and Joy's and REI.

Registration deadline is July 12!

** Participants will need to drop their boats off at the starting point, then park their cars at the end point. A shuttle will be provided to take people from their parked cars to the start of the paddle. Details will be included in your confirmation packet.**
